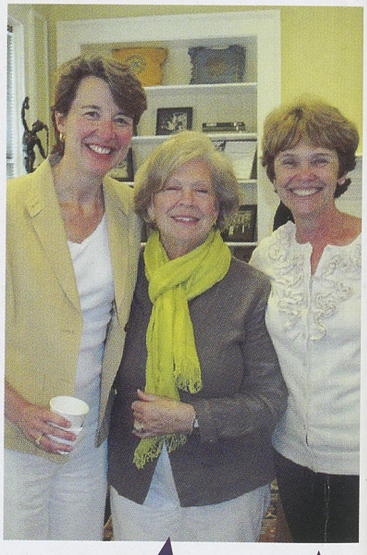
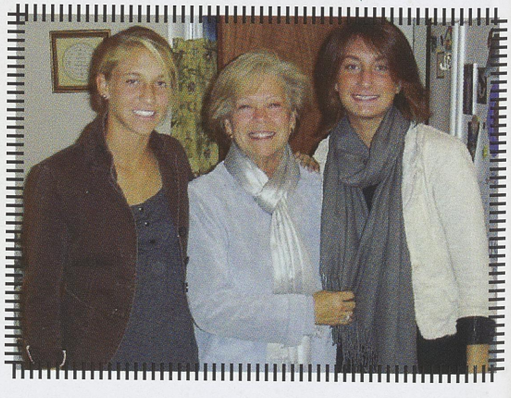
Mrs. Ginger Horton

"Mrs. Horton is my sister, my mentor, and my friend. Friend barely touches it because there are so many people in our lives whom we call friends. She is what all friends should be. She is able to give us a "heads up" when we need it and she is able to guide us lovingly. She helps us learn to be more independent and take care of ourselves because she is the type of friend who wants us all to sprout wings and fly on our own. Warmth, energy, caring, and wisdom flow from her veins. She radiates light. Never one to focus on "what wasn't" but rather to focus on "what is" in her life. What will she do when she retires? She will count her blessings but never her regrets. She is who I want to be when I grow up." -Jess Hill, Head of Upper School

"Mrs. Horton has been like a mom to me the past four years. She has been the one person I go to when I just need someone to talk to; whether its about school and grades, friends and family, boys, or just wanting to talk. She has been my rock at Harpeth Hall and to be honest I don't think I would have made it this far without her. She needs to learn how to text to so I can still have that special person to talk to everyday. I love her with all my heart and will miss her tons next year."
-Marianna Weaver '10

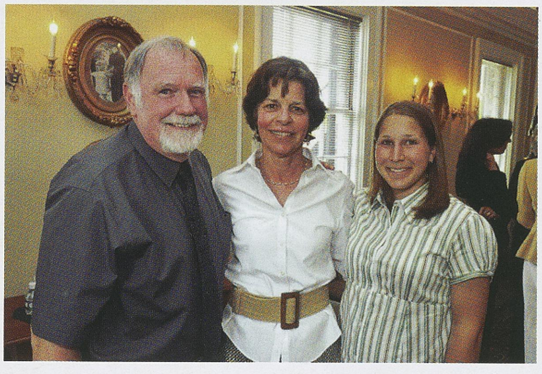


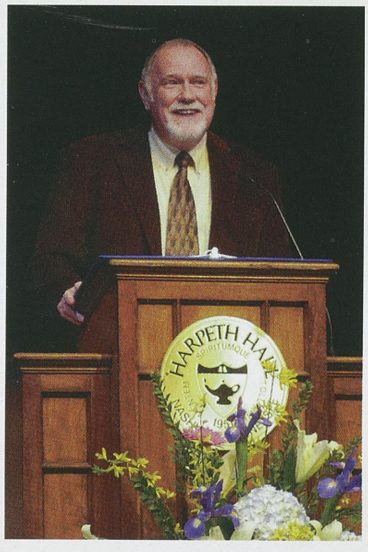
"Mrs. Horton is always so sweet and helpful. I can always count on her to help me make it through the day whether I have a headache or need to drop something off for a techer. I can't imagine what the upper school will do without her!" -Jamie DuBois, '13



Mr. Gary Christy

"I will always remember to never use the term "don't forget", the life lessons I learned from Dead Poet's Society, and all of your signs in your room. CARPE DIEM!!" -Stephanie Miller '10





"I love the way Mr. Christy always made his vocabulary tests more fun by making up skits!" -Marliese Dalton '15

"Mr. Christy is beloved by his students and admired by teachers. He brings magic to his classroom and girls continue to visit long after the sixth grade. His first year at Harpeth Hall was when the middle school was under construction and we were teaching in close quarters in "Harpeth Acre Woods." Peals of laughter were coming from his classroom and it turned out that the girls were actually taking a test! Mr. Christy is one of those rare teachers with a special gift and we are very fortunate to have him teaching at Harpeth Hall and on the sixth grade team." -Sally Lee, Middle School Math Teacher

Bring it On: Opening Day of School

The 2009-2010 school year started out with a bang as a tidal wave of seniors arrived in the auditorium donned in surf-n-swag attire as "Wipeout" blasted from the speakers. Seniors danced down the aisles in their Ray Ban sunglasses, leis and bouncing beach balls to what Mrs. Hill later called the most spirited entrance she'd ever seen. Ms. Teaff gave an energetic welcome back speech and gave the "Hang '10" class an enthusiastic welcome for their last year. After a great commencement assembly, upper school students got a taste of their classes this year by attending a fifteen minute period class in each of their subjects, while Middle School students were thrilled to greet their friends whom they had not seen since the beginning of summer and meet new girls that would be joining their grade for this school year. It was the beginning of the end for the seniors and a new start for both fifth graders and freshmen. Our school stands at a record 642 students.

Halloween Town: Halloween Dance

Halloween is always full of fun costumes. This year, students dressed up like Harry Potter characters and pajama girls had fun participating in the Boo! Bake Off hosted by the Cooking Club. This year, the 2009 Halloween Dance was a spooking good time as well! Upper schoolers had a great time dressing up, dancing on speakers, cha-cha sliding, and witnessing everyone's crazy costumes. Mr. Springman said he had fun with all his "male posse" friends, "except for Mr. Croker". The DJ this year played great Halloween hits like "Monster Mash" and "Ghost Busters" and there was even a "best costume" award, which went to senior Caroline Green who dressed up as Balloon Boy. Other memorable costumes include Waldo, a "senior pumpkin patch", and a group of gnomes. Junior, Abby Smith, says her favorite part was "just dancing like an idiot". Others said they enjoyed showing off their dance moves by doing the cobra, the robot and the cotton-eye Joe. Some girls even had their own signature dance moves. With students dressed up as construction workers, cats, and superheroes, this was definitely a Halloween dance to remember!

Golden Girls: Grandparents Tea

The annual Grandparents and Special Friends Tea continues as one of the many important traditions at Harpeth Hall. Middle School students enjoy showing their grandparents and special friends around the pod and school, and introducing them to their teachers and classmates. Many students reflected that their favorite part of the tea was showing their grandparents their classrooms and sharing with them what they were learning. Then, they performed in or enjoyed watching a concert, eating sweets, and of course, drinking tea. Lark Morrison said, "I had time to talk about how school is going, and even better, perform for her and make her a heartfelt card. I know I will look back and smile whenever I think of it." Grandparents Tea was an enjoyable event for many because of the opportunity to share school life with family and friends, a rare privilege. It was especially memorable to those that had guests from out of town. Seventh grader Caroline Sandrell said, "I love Grandparents Tea because I get to see my grandparents and I love to be with them; it brings us closer since they live far away." The students really appreciate this chance to spend time with family.

Working Girl: Winterim 2010

Winterim is always an exciting time on campus! Academic travel this year included trips to England, Spain, France, and Bolivia. England girls traveled to Oxford and saw Westminster Abbey. France travelers visited Paris while participating in family stays in Aix-en-Provence. While in Spain, others did home stays and learned traditional Spanish dance moves in Alicante. Junior and senior interns stayed in Nashville or traveled. Many interns went to New York, where they interned at the Met, Rebecca Taylor, Seventeen, and Fox News, to name a few. Other interns traveled to DC, where they worked at the capital. Many girls did independent studies as well. Some upper classmen also stayed on campus for Dr. Echerd's class on Dante, held for the first time this year. On-campus classes were a lot of fun this year as well. Some popular classes include Songwriting for Guitar, Marvelous Masks, China: A Virtual Tour, Palentology, Athens of the South: Nashville, Fantastic Fractals, and Mythbusters. Madison England went on the England trip and said "The group that went to England grew really close as we traveled to Stradford Upon Avon where we saw Shakespeare's house and to Bath which was everyone's favorite city." "I really liked getting to have a class with Mrs. Blackburn and learn different styles of painting," said sophomore Julie Wilson who toook Exploring Painting. It seemed to yet again be a sucessful Winterim term.

A Cinderella Story: Winter Formal

Left: Kate Wiseman, Hillary Radcliff and Michelle Martin flank a lucky junior boy.

This year's student council spent the hours leading up to the 2010 Winter Formal making it into a picture perfect winter wonderland. The large paper snowflakes hanging from the ceiling were a first for this annual cold-weather social event. There was also a DJ this year, rather than a band, like in the previous years. This change in entertainment was voted on by the high schoolers. Couples and singles showed off their moves to songs like Cyclone and Get Low and then tuned it down to slow dance to songs like Beyonce's Halo and Miley Cyrus' The Climb. Ms. Teaff and her husband, Mr. McPherson, were excited to welcome all the elegantly dressed students and their studly dates-it's always exciting to see the Harpeth Hall girls in something other than plaid! Chaperones like Señora Lund and Ms. Lemon also had fun greeting their students. The gallery was abuzz with chatter as the girls posed for pictures with each other and introduced their dates to their classmates. The freshmen enjoyed their first formal dance in high school, and especially their Winter Formal dinner held on campus in the Patton Visual Arts Center. Sophomores and juniors had fun dancing the night away, while the seniors celebated their last Winter Formal in style on the dance floor, breaking it down. Junior Sara Brown said "On Winter Formal the student council did a great job decorating. It was definitely a night to remember." "The DJ was great. I twirked it out on the dance floor," said junior Catherine Smith. It seems overall winter formal was a huge success.

All the President's Men: George Washington's Birthday Celebration

The seventh grade class continued the long standing George Washington Day Birthday Celebration tradition. Tess Fardon, senior, said, "If George was there, he would have thouroughly enjoyed himself." Each year, the students work tirelessly to continue in the footsteps of the previous class' production. The sailors show off their gymnastic skills, the soldiers march with effortless precision, and the men and women dance the traditional minuet. The students enjoy watching this tradition carried out year after year. "It brings back our memories from middle school," said Jesse Steere, senior. The sailors, soldiers, and upstanding men and women played their parts with enthusiasm and historical accuracy. 8th graders Sarah Gresham Barr and Cici Rutherford were voted by the middle school to represent George and his beloved Martha this year. Former Middle School History Department Chair Merrie Morrissey Clark '69 was not there to guide the 7th graders this year, like she had the many previous years before. In her place was 7th grade History and English teacher Ms. Yancy, who did a splendid job leading the 7th graders to another memorable year celebrating our nation's first president. The celebration was dedicated to Ms. Clark this year, and she attended as well. This fun and educational tradition will of course continue to be passed on in the years to come, and Dr. Clark's influence on it will never be forgotten.

School of Rock: Middle School Talent Show

Harpeth Hall's Middle School is constantly buzzing with excitement. These girls enjoy their invaluable free time to let loose and have fun, which culminates in the Middle School Talent Show. The annual Middle School Talent Show took place in the 2010 year right before spring break, and the overwhelming consesus was thatitwasagreatsuccess! Middle school girls, grades 5 through 8, took the stage to show off their mad skills in a number of different acts, including dancing, singing, and performing skits and instruments. Whether it be a solo act, a duo or a group of girls, all of the acts were incredible and, oftentimes, hilarious. Memorable acts from this year included an act performed by Lydia Witty and Kate Goldenring in which Lydia pretended to be a little girl while Kate would try to give her water and put lipstick on her. Cat Morgan called it hilarious. Saffee Croker's favorite act was a dance to the song "Baby" by Justin Beiber. The turnoff was remarkable and the show kept the audience thoroughly entertained. All the time and effort put into this event by students and faculty alike really shined through with the girls' talents, making for an unforgettable night. It was a great kick-off to send the middle schoolers off on spring break!

Best in Show: Upper School Talent Show

The upper school talent show this year was a great success. Various students wowed the audience with their unexpected talents. There was a wide variety of acts ranging from singers to Napoleon Dynamite dances. Noted comedians Amy Bowers and Christina Chapman entertained the audience with their hilarious M.C. abilities as they announced each act. Some of the memorable acts included Claire Cato's beautiful piano performance, and Alene Geer and Elaina Mishu dancing in the gym with surprise guests from Nashville Dance Center. Rohini Chakravarthy showed off her Bharatanatyam dancing skills. However, there were also some not-so serious performers. Anna Lines, Madison Jones and Madison England danced their hearts out to the popular song from Napoleon Dynamite, "Canned Heat", wearing infamous Napoleon Dynamite glasses and "Vote for Pedro" t-shirts tucked into their jeans. Another funny act consisted of the talented Sara Schott singing and dancing to "Fergalicious" with her crew of back-up dancers Claudia Crook, Lena Bichell, Katie Martin, Grace Tipps, and French exchange student, Anne-Charlotte Beral, who were dressed up as boys. On a more serious note, There were also many incredible singer-songwriters that blew the audience away. Jesse Steere sang a song written by her grandfather, and Margaret Burrus and her younger brother teamed up to play the piano and sing beautifully. Dr. Echerd said it best, "I laughed; I cried; I stood and cheered. It was the feel-good talent show of 2010! I pity each and every person who was foolish enought to have missed it."

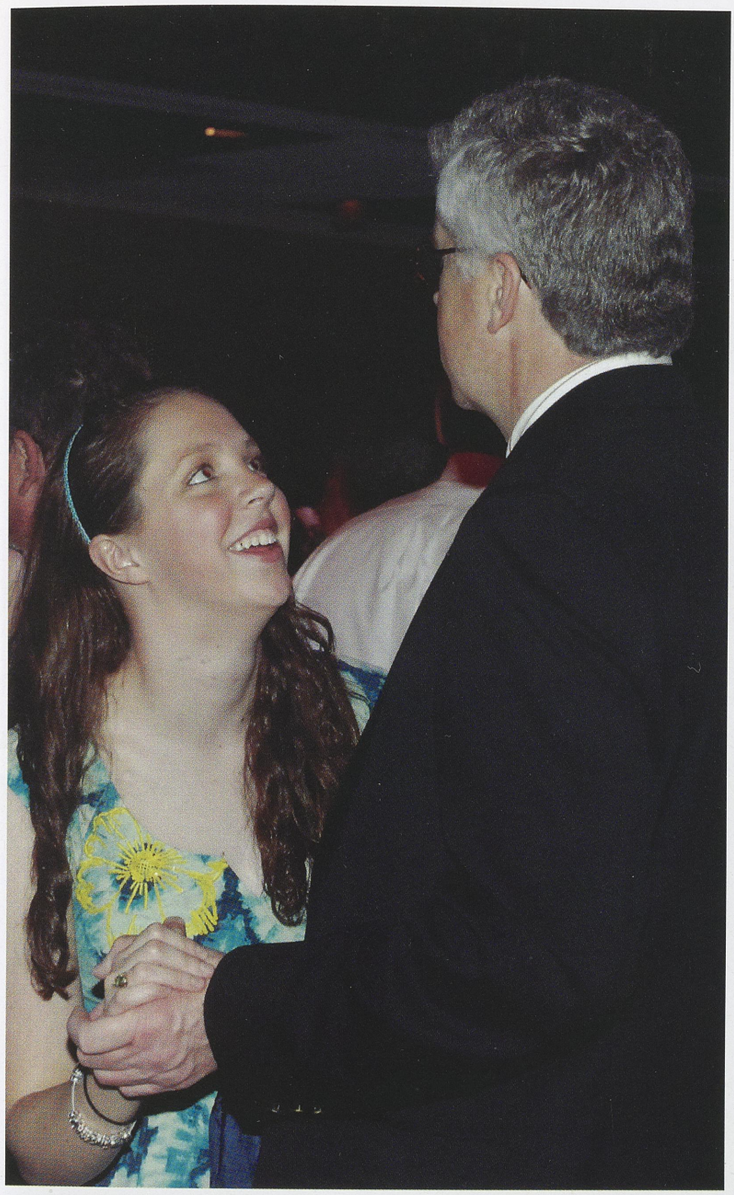
My Girl: Father Daughter Dance



The 2010 Father-Daughter Dance was a memorable night for the Upper School and Eighth Grade girls who attended. It was hosted on the General Jackson boat and included a great band featuring a father of a Harpeth Hall student. Girls described the boat as very fun and beautiful. Dinner was served in the main dining room with special tables decorated for the seniors. One highlight of the dinner was definitely the delicious desserts, but the night did not kick off until girls and their dads hit the dance floor. Many students said their favorite part of the dance was being with their dads and seeing them break it down. The music was provided by a great band that was enjoyable for both generations. Dads even proved their dancing talent by busting out some crazy dance moves. Bonnie Scott said, "the band was great! They were very energetic and sweet." As the General Jackson floated down the Cumberland, girls danced the night away with their dads and enjoyed a beautiful view of downtown Nashville. But most importantly, who were the better dancers: dads or daughters? Leslie Kimball knew the answer. She states, "obvioulsy the daughters. We can seriously break it down... kind of like Beyonce." However senior Alene Geer said "The dads totally know how to get funky. I know because my dad was making up all kinds of dance moves including the typewriter and the plunger." It looks like the real answer to this question will remain a mystery. After hours of dining and dancing, the General Jackson docked and the night came to a close. Overall, this year's Father Daughter Dance was a night to remember for the dads and the daughters.

Prom Night: A Night in Wonderland

The Prom theme this year, A Night in Wonderland, was widely popular among Seniors. The Juniors pulled off an a well-planned night with elaborate decorations and characters. There was a huge rabbit surprise in the girl's bathroom, and even a live one next to the Queen in the Gallery! Presentation was unique this year with an appearance of the Red Queen and the humorous commentary by Mr. Womack, the Mad Hatter. Seniors and their dates were introduced as 'Lady' and 'Sir' as the girls were handed a rose by their escourts. Many girls decided to be escourted by their fathers which was a nice touch to the evening. The couples walked across the stage and posed for a photograph at the end of a red carpet. Katie Martin was crowned Prom Queen, with Grace Anne Sanderson and Emily Hong as the senior class representatives. The junior prom representative was Eleanor Weeks, the sophomore representative was Tori Dickerson and the freshman representative was Laura Lee Singer. The junior class officers were also presented to show the leaders of the prom build; they did a slepdid job! After the presentation, the party began! The DJ was a success, playing 90's classics and Justin Bieber alike. Even though it was shorter than usual, everyone seemed to enjoy themselves. No one wanted to leave at the end of the night.

She's The Man: Powderpuff

Powderpuff is an annual tradition where the Juniors play the Seniors in flag football. This event starts the festivities of the end of the school year. Pre-game activities included an ICEE machine, raising money for flood victims with consessions food, and a large blow up slide. Fan were very active in their cheering. This year, both teams prepared by practicing and learning lots of plays that were taught by some MBA football players. They met in the locker rooms for peptalks and review of plays. In the first half, the Seniors scored two touchdowns. The Middle School cheerleaders worked hard to prepare for the half-time show in which they cheered for each team. Madison England said that "their preformance was full of fun with songs such as 'Single Ladies' by Beyonce. They even perfected some of her dance moves!" After half-time, the game continued on with each player working her heart out. The Juniors scored touchdown in the second half. but there were numerous interceptions by Seniors Caroline Kay, Margaret Burrus, Grace Stumb, and Anna Spickard. This led the graduating class to an amazing victory with a final score of 22-6. Stephanie Miller said "The game this year was so much fun to play. Good sportsmanship was prevalent from both teams, everybody played with obvious effort and joy, and the crowd was one that could not be beat. It was a great final event to have with the Juniors."

Almost Famous: Almost Alumnae Luncheon

Hosted on the last day of April, the Almost Alumnae Lunch is a great start to the end of the year for the Senior Class. Joined by mothers, other alumnae, and grandmothers who graduated from Harpeth Hall or Ward Belmont, the Seniors enjoyed chicken salad and fruit tea in the lovely decorated Bullard Gym. Alumnae mother, Cammie Claybrook, spoke about the song "You're Gonna Miss This" and reminded the seniors to live up the last few days of school and that they were going to want these moments back. Mary Daniel Smith, the Senior Class President, spoke of the uniquness of the graduating class and how they are a very tight-knit class. Tears were shed at the thought of leaving and alumnae mothers and grandmothers were honored. "It was a really lovely meal and it was really nice to be with our moms on this special day to kick off graduation season" said Madison Jones. Soon after the speakers concluded their speaches with great advice, the girls presented their mothers with a hand written note. The moms were so surprised by this captivating gesture.

Bend it Like Beckham: Middle School Field Day

This years Middle School Field Day was a fun-filled success. Triads, Eccowassins, Aristons, and Angkors gathered in the theater to start the day off with a trivia competition, in which the Angkors prevailed. The air was filled with competitive spirit as the four clubs marched their ways down to the field to prepare for their songs and the afternoon's games. The bleachers were filled with club spirit as students dressed in red, green, yellow, and blue filed in together. The ladybugs, eagles, gators, and whales performed their songs and cheers as each opposing club judged their competition. Teachers watched on, trying to decide which of the four displayed the most spirit and energy. The clubs awaited anxiously for the games to begin as the anticipation builded. The girls were divided into groups and sent to different stations where they rotated from games, such as a hula hoop challenge, to relays. There was an ICEE station set up along with an inflatable slide, both traditions from previous years. At the end of the day, Aristons were declared the winner of the 2010 field day. The biggest honor though, the winner of the year, was given to the Angkors, the club with the most club points and club spirit. Go whales! It was a great day for everyone involved, and teachers watched on as students bonded on this annual day of fun. This year's Field Day was full of laughter, club colors, and spirit, and next year will hopefully be another great success.

Best In Show: Awards Day

Left: Ms. Teaff gives Parker Davis a warm embrace as she presents her with a book award.

Luckily, the sun was out for Awards Day 2010, and the much anticipated event was held on the lawn as usual. Every year, the Harpeth Hall community gathers to celebrate the achievements of dedicated students. Students spread out all over Souby Lawn with blankets and food as they begin to get their summer glow. Intramural club song competitions are always a highlight. This year, intramural club's highest honor went to the Triads with the most club points of the year. Triads sang the classic ABBA song "Dancing Queen," Eccowassins sang "Ain't No Mountain High Enough," and Angkors sang a capella to "Girls Just Wanna Have Fun." But it was the Aristons who won the club song competition with their rendition of "Jumpin', Jumpin'." Before the club songs, however; some of the biggest honors were given to students. Memorable annual awards include the collegiate book awards that went to many hard working girls in plaid. The dedication of the yearbook this year went to Ms. Horton and Mr. Christy. And, of course, the highest honor a Harpeth Hall girl can receive is the Lady of the Hall, awarded without nomination by Faculty and students alike. The Lady of the Hall is a girl who represents Harpeth Hall and its motto in every way. The Lady of the Hall this year was Katie Martin. The senior representative was Bridget Bailey, junior was Reed Turner, sophomore was Bennett Barr, and freshman was M.D. Stumb. Awards Day is always a bittersweet moment for seniors, as it is the last day to wear Harpeth Hall plaid. But, the tradition was carried out perfectly to round out the Class of 2010's amazing year.

The Sound of Music: Step Singing

Step Singing this year carried on all of the traditions of Ward Belmont successfully and with added uniqueness. A time honored event, Step Singing serves to both honor the Lady of the Hall as well as pass the torch on to the rising senior class. The juniors take the oath of leadership as the Class of 2010 prepares to graduate the next day. Step Singing is also the time for Juniors and Seniors to sing their chosen songs. As Katie Martin, Lady of the Hall, noted in her speech, both classes chose songs this year about being there for one another. The Seniors sang 'Stand By Me' and the Juniors chose 'I'll Be There'. Luckily, the performances were enhanced by the beautiful pre-summer weather. The Lady of the Hall was awarded her wreath of magnolia blossoms before her speech, and the Lady of the Hall Court was honored. The second speaker was voted on by the seniors. Ms. Girgus, Her inspirational speech shed light on her move to Nashville, a new beginning for her. She charmingly reflected what her mother had said to her: "Oh My, What an Adventure" when she embarked on her move. Ms. Girgus also remarked on the uniqueness of the Class of 2010. For their senior prank day, the seniors this year chose to have a lock-in and only do harmless, fun activities the next day rather than destructive pranks. This is just one of the many ways the senior class left their mark on the school.

Little Women: Honor Day

Early Monday morning on May 24, 2010, the eighth graders at Harpeth Hall completed their middle school journey. This graduation not only celebrates the girl's completion of eighth grade but also honors the many accomplishments they made during their time in the Middle School. The orchestra, led by Andrew Martell, played beautiful music as the girls processed in, walking by each grade of students that they would leave next year. To mark this passage, the 5th and 6th grade sang a song followed by the 7th grade song to honor their oldest classmates. When asked about their fondest Honor Day memories, girls often mention the pink roses fluttering around, their class lining up in the gym, calming each others' nerves, taking one last middle school picture in the amphitheater, and processing down the familiar auditorium. Once the program started, eighth graders most cherished Elena Carro's witty speech comparing her grade to pea pods. Honor Day was a beautiful ceremony to commemorate a beautiful occasion.

The Graduate: Commencement

May 24, 2010 was an extremely important day for the 2009-2010 Harpeth Hall seniors: it marked their last day when they could identify themselves as Harpeth Hall students. Commencement began at six o'clock in the afternoon on this warm day when Ms. Chopin rang the bell. The faculty processed in their robes, followed by the seniors, who walked down to the Ann Carrell Scott library steps to Pomp and Circumstance on the piano. The sun began to set as the seniors received their diplomas and thus embarked on a new journey: college and beyond. Rohini Chakravarthy gave the invocation in which she focused on the seniors' time at Harpeth Hall. Madison Jones was the speaker chosen by the senior class to deliver a speech on graduation day. She took poet Billy Collins's poem, Aristotle, a favorite of the senior English class, and rewrote it to reflect the seniors' time at Harpeth Hall, which drew many laughs as well as tears. Ms. Teaff then reminded the audience of the impact of the 2010 Senior Class on Harpeth Hall. This senior class, she said, has been like no other. They truly worked hard on befriending and making underclassmen feel comfortable. She brought up how, on senior prank day, the seniors decided to spend the night together in Bullard Gym and they made sure all underclassmen had fun on senior prank day by renting an inflatable slide and scooting around the halls. This senior class has come a long way from freshman year, but their enthusiasm and amibition will always remain.

Left: Tess Fardon and Caroline Evers pause before walking down the aisle to Pomp and Circumstance while Brittany Farr preps herself behind them.

Above: The senior class celebrates and shares hugs and tears surrounded by their friends, families and teachers on the Senior Patio after graduating.

Above: Katherine Dresch and Katie Drummonds are happy to be greeted by familiar faces as they walk through the tunnel of faculty after graduating.

MS GOLF

The High School golf team had a great year. The year was extra special because of how well the team got along. Despite the age differences, with four seniors, one sophomore and five freshman, the team bonded from the start. The seniors showed a lot of enthusiasm, reaching out to the younger girls. This really showed in the practices and workouts. This young team shows a lot of promise in the future and coach Moe Hill looks forward to working with them next season!

The Middle School golf team won five out of their six matches. No matter the course or the team, the girls were effervescent in their game, honorable and polite in their etiquette, and knowledgeable in their tee to green management. Hailing fifteen strong, the Middle School golf team plays with skill and grace! Specifically, Maddie Angell earned the 1st Place Individual Metal at the HVAC tournament. The rest of the team players placed throughout the season during each of the individual matches.

Top: Top Row- Coach Choppin, S. Wilton, C. Rutherford, M.C. Peffen, A. Schoerke, J. Choate, Coach Womack. Middle Row- J. Grimstad, R. Morris, M. Angell, E. Osteen, L.K. Hays. Bottom Row- J. Burkart, L. Witty, A.S. Johnson, M. Martineau.

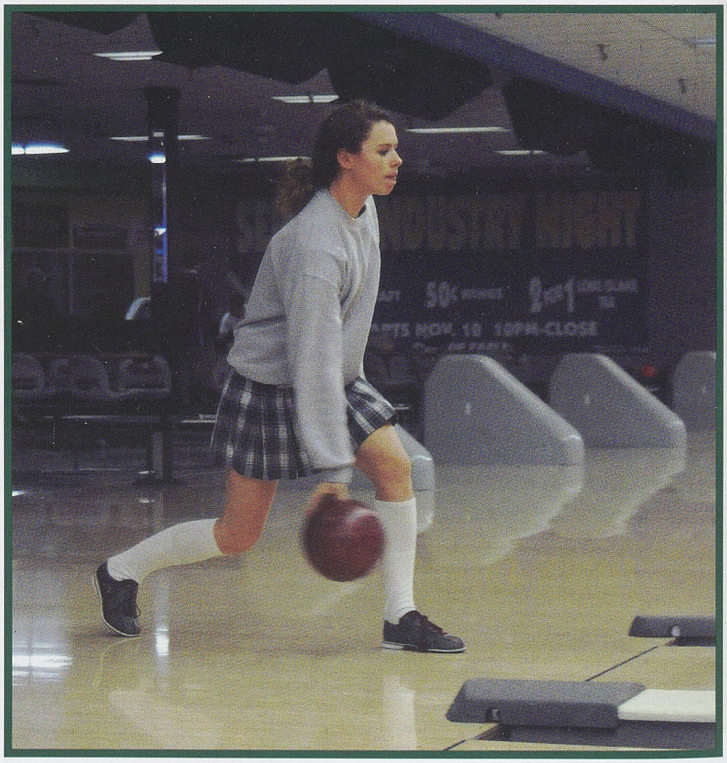
The Bowling Team concluded its season with a thrilling showing in the Division II State Tournament in Smyrna. The lone individual qualifier for the Bears, Junior, Elaina Mishu, fought her way into the top six that qualified for the individual finals on a snowy Friday morning. Elaina managed to secure a third place finish in the Division II Individual State Tournament by rolling an average of about 150 which was 17 pins above her yearly average. For the team competition in the afternoon, the Bears were matched up against the bowlers from GPS, the number one seed in the tournament. Despite horrific weather, the Bears showed up ready to compete. They were only a few pins away from pulling an upset over GPS, and ended up falling 18-9. This concluded a fantastic year for the Bears bowling team, earning a school record in victories (11), a runner up finish in the Middle District for Division II, and producing a top three state finalist. Things will continue to improve for the Bears, as no member of this year's team is graduating this year. The team was so thankful for all their supporters at Strike and Spare this year!

Top: Rebecca Pirkle lines herself up to bowl for the Bears.

Bottom: Coach Wommack gathers the girls for a pep talk before a big match at Strike and Spare.



Above: Libby Smith focuses on the bowling pins as she rolls for a strike.

US BOWLING

The Middle School cross country team not only thrived in their running this season, but also in their ability to set and conquer goals. The girls arrived to practice each day with a great attitude before running a warm up mile, stretching, completing a long run of one to three miles, and finally finishing with a "warm down." At the start of the season, many of the Bears set personal records to beat, and by the end nearly all had exceeded their personal records. Reagan Freeman, a seventh grader, set a personal record of eight minutes and fifty-two seconds, and by the end of the season had not only conquered this goal, but had also placed second at the final meet! The Bears' biggest rivals were Ensworth and Brentwood Academy, each of whom they faced several times in various meets. Many meets were hot, muddy, and wet–a bad combination for a mile and a half run; however, the girls encouraged each other on by cheering, "the will to win cannot be beat you gotta wanna win. RLH (run like honeybears)!" For most girls, the highlight of the season was running to TCBY for an afternoon treat. Lark Morrison summed up the season best describing, "it was great getting to be out with friends, while also learning some great running and life-long skills."

Top: Top Row- Coach Martell, A. Giovetti, D. Brooks, B. Fraizer, C. Glimore, L. Witty, O. Snell, R. Freeman, A. Williams, Coach Lucas. Middle Row- A. Brakebill, H. Huff, R. Jernigan, M. Morss, M. Bottom: Emily Mace trecks along the course with her friend, Lizzy LeBleu close behind.

Above: Shelby Potter squints her eyes from the sun as she looks out amongst the crowd.

MS CROSS COUNTRY

Top left: Lark Morrison pushes for the finish line after a long race.

Top middle: Ariana Giovetti and Elizabeth Cheek run like a pack of wolves, encouraging each other to beat their opponents.

Bottom: Deery Brooks leads the way as her teamates, Madison Nunn and Lydia Witty trail shortly behind.

Top: Charlotte Hughes's hair blows wildly in the wind.

Middle: Maddie Gilmore pushes on, despite the heat.

Bottom: Megan Beto pushes past the crowded sidelines, towards the finish line.

COACH: J. Henderson, T. Wert

The Cross-Country team completed a successful season by finishing sixth in the TSSAA State Championship race. Kate Wiseman led the team by earning All-State honors with her 7th-place individual finish. Emily Whitson, Allie Polk, and Olivia Hurd joined Kate as members of the All-Metro team for 2009. The varsity performed well in every meet in which they competed, highlighted by runner-up finishes at Kenwood, the VC4 Championships, and the Metro meet. Their best finish of the year came at McCallie where they finished third behind two other state champions. In the process, the Bears topped GPS and this year's Division II-AA and Division II-A champs Baylor and Knoxville-Webb.

For the third year in a row, the JV lay a legitimate claim to being the best JV team in the state. After finishing 5th at the Tennessee Classic with a depleted squad, the Junior Bears rolled through the rest of their schedule undefeated. This streak brought victories in four separate invitationals and in the much-heralded dual with Brentwood Academy. The highlight of the year had to be the Hoover meet in which the team had to run with only five runners because of last-minute illnesses, and yet still managed to win the meet.

The Middle School JV volleyball team was composed of 12 girls, 8 who had never played volleyball before this season. The team learned a tremendous amount in a very short season. The girls worked well together and learned what it means to be on a team. The season ended in the JV tournament by beating Harding Academy. The Middle School varsity team, comprised of seventh and eighth graders was a very athletic group, capable of great things. A highlight for the team was beating Ensworth on their home court in 2 games, 25-22, 25-22.

One game that stands out was against BGA towards the end of the season. The team played BGA five times, but the momentum changed every game. The team was able to pull through in this game because of their fitness as they could see the other team getting tired.

The team's favorite memory was during the team building trip to West Tennessee on a river located by Caroline Kay's family lodge. The girls went canoing for the day and within two minutes of departure, Lizzy Allen had her boat over turned and then Caroline Allen's. Clearly, the Allen sisters should stick to the court!

The team started practice in June with conditioning and real practices begining in July. All the practices consisted of lots of running and plyometrics–they were a fit group.The freshman team was a good team they had fun together and it kept everyone really busy.

This year's Middle School soccer team had a fun season! The best game of the year was the last. The team played Ensworth in the semi-finals. Even though the Bears lost to Ensworth 3-0 in the regular season, in the semi-finals they were able to hold it together till the end. A golden goal tied the game and they went into overtime, but ended up losing in a penalty shootout.

The favorite memory for the team was the practice on Halloween. The girls were each dressed in their costumes and had a really fun practice with an interesting practice in a new soccer attire.

The Middle School JV-A soccer team made history this season in the HVAC soccer tournament. The Bears faced Harding Academy, BGA, and Ensworth in the tournament and came out on top. Their coach believes this win was a fitting end to an extremely successful season!

The Upper School soccer team had some great victories this season! A highlight, the team's first major win of the year, was beating CPA (1-0). They were also able to beat an undefeated and top ranked team, Hendersonville (3-1), as well as Ensworth (2-1), with a last minute goal by Megan Darnell. Players Grace Stumb and Madison Longmire were awarded All-Region for their spectacular efforts this season. Julia Alexander, sophmore, shared her favorite memory, which was the freshman initation. "This not only gave the team a chance to get to know each other, but also brought a great deal of laughs and memories that will last a lifetime. Something we all enjoyed was Alex Thornton's back-scratches. It is safe to say we were all very greatful for them after a long day on the field. " The team's cheers were, "the will to win cannot be beat-PLH!" and also, "Blood makes the grass grow!"This goes to show the Bears were ready to face any team!

Mary Ellen Pethel, coach of the fifth and sixth grade basketball team says, "The team worked hard this season and greatly improved from beginning to end. The girls played hard and hustled whether ahead or behind in games. In practice the team really developed great chemistry, and the entire group was a joy to coach." Fifth grader, Grace Claybrook's favorite memory was winning their first game of the season at Harpeth Hall to Saint Ann's. Coach Pethel stated, "The Bears led the game 10-4 at halftime before exploding for 13 points in the 3rd quarter and 10 points in the 4th quarter. Each member played an important role, and everyone hustled with heart and enthusiasm. Phoebe Powers led the game with 10 points, and fifth grader Syndi Hill also performed with confidence and poise as she scored 9 points and made several steals. In fact, defense was key as the girls played a tight 1-3-1 defense and held St. Ann to 6 points total. The game was exciting from start to finish, and I was very pleased with the preparation and performance of the entire team."

The Middle School Varsity basketball team had a great season, finishing the year with a record of 12-2. The two losses both came against David Lipscomb in close, hard fought battles. The team had many dominating wins as well as some close matches and they defeated rivals Brentwood Academy, Ensworth and USN. Kennedy Potts and Sam Hopp were both named to the HVAC all tournament team. The team improved from beginning to end. The girls played hard and hustled whether ahead or behind in games. "In practice the team really developed great chemistry, and the entire group was a joy to coach," said Coach Healy.

According to assistant coach Anne Weingartner, "The bears made great strides thorughout the year and began to hit their peak towards the end of the season". This rang true. The US basketball team had big wins this year, especially being the only Division II AA team to defeat the enemy - Ensworth Tigers at the end of their season. Weingartner continued, "The key to improvements came from their great team chemistry and hard work." The start of their winnings began with two defeats over teams in a Chritmas tournament in Owensboro, Ken. However, according to Weingartner the biggest win was the game against Ensworth that went into overtime in the "packed Morrison Gym". Senior member of team, Leslie Kimball, said, "Some people may look at our record and think that we did not have a good season. However, we feel as though we were very successful. We improved a lot, grew extremely close as a team, and most importantly, we had fun!"

According to Coach Pearson, "The middle school swim and dive team had a fabulous season with 24 swimmers and 2 divers competing." The swim team began the season winning the invitational by beating Harding, Ensworth, BA, and Catholic middle schools. The team went on to place fourth at the EXCEL Invitational competing against over 20 middle school teams from Middle Tennessee.

Coach Pearson also comments, "As the season progressed, the swimmers' times dropped considerably lower, and the divers perfected more and more dives preparing them for the Middle School Championship at Baylor. Competing against more than 35 teams from Tennessee and Georgia and hundreds of swimmers and divers, the HH team was psyched for the Championship meet! During the preliminary session of swimming, every swimmer swam their personal best time in at least one of their individual events, if not both of their events: a huge accomplishment!" The middel school HH Swim and Dive team placed 3rd overall behind GPS and BMS, but ahead of 36 other teams! What a phenomenal ending to a great season!

The Swim and Dive team went to great heights to succeed this year. With determination, persistance, and a lot of practice, each teammate put in one hundred percent effort. In fact, every single one of the girls qualified for Regions!

The Team, filled with spirit, always sang their favorite cheer with pride, "Give a yell, give a yell, give a great substancial yell! And when we yell we yell we yell and this is what we yell: alabam, alabam, alabambiego, san diego, hocus pocus, can't out stroke us! Let's go bears!!"

Amy Bowers, senior, describes her favorite moment of the season when a fellow diver fell through the ladder climbing up to the diving board. Although it sounds painful, Amy says it was a funny memory that the team later laughed about.

In the final State meet this year, the snowy weather did not stop the girls from competing! The dedicated swimmers and divers placed second overall in the entire state of Tennessee! We are so proud of our Bearacudas!

The middle school lacrosse team had a solid record as they ended the season. With new uniforms the girls started fresh. McHale Morris said that the honey bears played their best during a match verse Hendersonville, "Our teams best match was the second time we played Hendersonville because although they beat us the first time we played them, we came out with a win the second time." Another player, Whatley Hamilton said their toughest game was Ensworth, "Ensworth has a good team that had good skills. We just lost our confidence the day we los to them because we are considered just as good." Each of the girls were asked how they would describe their team as a whole, some of the repetitive words were committed, supportive, cheerful, and hard-working. The girls admitted that the practices were challenging but helpful, and it was worth the hard practice because their coaches were not only funny but also passionate. Although there was no HVAC tournament, they were scheduled to play in a tournament out of town to finish off the season. They tournament was canceled due to rain but they still played a fair amount of games.

Despite snow, cold turf, and frozen lacrosse balls, lacrosse season began in the winter of 2009 with a group led by what is known as "the super seven seniors". Coach Vest quotes, "This would be the most cohesive team in Harpeth Hall history". Despite loosing in the season opener to Westminster, the LaxBears were able to come back and beat John Paul II in the same day. The season continued in Saint Petersburg, Florida over spring break at the American Lacrosse Camp. During this week, the girls honed their skills in preparation for games when they returned. Despite a devastating injury to Madison Longmire in a previous game, the Bears pulled together to beat the Ensworth Tigers 10-9. Lena Bichell held down the fort with a whopping 19 saves! Captains of the team include Elizabeth Ragan, Lena Bichell, and Margaret Burrus. Coach Vest says, "they have kept us on track all season, whether they are speaking or not".

The season record was 11-2 and the Bears had a State Tournament seed at #1! The Bears ended their season with a loss to Ensworth; however, Mrs. Vest says, "the Bears had learned to have fun again with the sport they love."

Olivia Reeve, Meredith Lang, and Ali Little will represent the Honeybears at the Women's Division National Tournament in May.

According to Coach Nelson, "the Middle School 'Diamond Bears' had a great season this year with a 6-2 regular season record. The team also qualified for the higher division in the HVAC Tournament. Both accomplishments have not happened in a number of years, so this was huge for our team. Two of our huge wins this season were over Nashville Christian and DCA who are always big contendors."

In the first round game in the HVAC Tournament, the Bears played Brentwood Academy. Although the Bears lost, the girls walked out with their heads held high because they knew they had given it their all and left everything on the field. Coach Nelson says, "These girls raised the bar of competitiveness and we can only hope to continue it in the future."

All in all, the Bears had a great season, surpassing the odds, all while having a great time.

"Having only graduated one senior last spring, the preseason found the Honeybear softball team in a comfortable position, as we returned our entire starting infield. Our sophomores had an entire year of experience under their belts. In the outfield, we would do some minor shuffling as we looked to fill one spot left open, but we had two experienced upperclassmen in the field to help out the rookie." Coach Linden says. Over the course of the Bears first six regular season games, they were able to outscore their opponents by a total of 47 runs. The real competition began in the game against John Paul II. Never in the history of JPII, had the Honeybears beaten the Knights. In fact, the last time they met at Harpeth Hall, JPII hit three homeruns, ending the game in the fifth. But this was a different team than the Knights had faced last spring. The Honeybears put up an impressive offensive run, plating seven. Although the Knights fought back valiantly, they came up short, and the Honeybears took the win.

Coach Linden states, "The Bears share a common bond, their love for the game and their team. As a coach, you don't see this often and that makes it that much sweeter. Seniors, you will be sorely missed next season, but fear not, you will live on in Harpeth Hall Softball lore...always doin' your thing!"

The Middle School Tennis team won the HVAC tournament by defeating Brentwood Academy and Ensworth in a tie-break decision this year. Winners of their HVAC tournament divisions included Sam Hopp, #3 singles, and Megan Beto and Amy Weaver, #1 doubles. The runner-ups were Julia Pair and Kate Goldenring, #2 doubles. These two also had an undefeated season as doubles partners.

According to Coach Southwick, "the middle school team peaked at tournament time! Lizzy LeBleu played incredibly tough tennis against highly ranked players all season. Her thoughtful, well thought out points, and stinging forehand are aspects of her game that will create tennis success! (as well as her rocket-like serve)."

She goes on to say, "Emma Reineke fought diligently at number 2 singles throughout the season. She proved that she is a consistent, all court player! Emma has great tennis ahead of her as she proved in her last match against Brentwood Academy in the tournament."

According to Coach Lemon, "The Tennis Bears had a very exciting and successful season marked by wins in the region against Father Ryan, Brentwood Academy, Franklin High School, JPII, Ensworth, Ravenwood, and DCA." The Bears played tough matches against GPS and Knox-Webb, earning the third place spot in Harpeth Hall's annual Patty Chadwell Tournament. This year, however, the tournament format was changed to a mock dual, allowing more playing time, as well as greater and more intense competition. The Bears played outstanding doubles and singles matches against Baylor, GPS, and St. Agnes.

Season highlights also include the annual April trip to the Chattanooga Rotary, where the Bears were able to advanced in both the main and back draws of the tournament. Kat Caire, sophomore, comments, "Even though tennis is less of a team sport and more of an individual sport, the tennis team this year was so well bonded that it always felt as we were working as one unit. The trip to the rotary was a pivotal bonding experience for us. We all had our own battles on the court, but we were supporting each other the whole time and that experience really brought us together."

Lori Graves, coach of the 5/6 track team notes, "as 5th graders, the girls were new to the sport, and spent most of their hard work and energy learning how to run correctly and pace themselves. As 6th graders, they quickly transformed into great leaders of the team and became very competitive. Since track begins at the 5th grade level, the entire season is just practice. There is no score kept, the entire year is all in preparation for one final championship meet. The Bears took 3rd place, out of 6 overall in the final meet. It was a remarkable season, where the girls worked unbelievably hard. Every girl on the team improved her time in every event by the end of the season."

The team award for the season went to Ashlyn Dentz. Mrs. Graves described her to never complain and always be there to offer a word of encouragement. Although she never received first in any event, she received first amongst her team mates.

"The Middle School track and field team was loaded with talent and depth in all events," says Coach Russ. "They finished the regular season undefeated and placed second in the Robert Inman Relays. Fielding a very competitive team in the HVAC Championship meet, the Bears were able to come away with a strong second place finish making them the 2010 HVAC Runner- Up.

"The success of this team began the first day they stepped out on the track. The coaches could not have asked for more commitment and dedication than these middle school athletes demonstrated on a daily basis. Their enthusiasm and team spirit lifted every girl on the team to be the best that she could be. Improving each week became an overall theme of all the girls on the team and their encouragement and support of each other instilled a confidence in all of them that allowed them to reach their goals."

In the words of Coach Russ, "the Honeybears proved that they were a force to be dealt with. The extended, bitter, cold snap that hit Nashville in February right when the track season started did not stop the Bears from stepping out and enduring the tough early season workouts. And, in the end, that determination and perseverance paid off." The Bears finished the season undefeated in regular season competition, and in the invitational track season Harpeth Hall returned from spring break defeating 10 other teams. The Bears went on to finish in the top three in all the other invitational meets except one. Harpeth Hall finished in third place in the region track meet this year. It capped off a very successful season in which the track team placed in the top three in every major meet this year with the exception of one. Coach Russ goes on to say, "to be consistent and competitive were our main goals for the season and both of these goals were met. The coaches could not have asked for more effort and team spirit than this team showed all season and we are very appreciative of all of their hard work."

In a joint production with Montgomery Bell Academy joint production of the musical *Annie Get Your Gun* opened September 10, 2009. *Annie Get Your Gun* tells the love story of Annie Oakley, played by Margaret Burrus, and Frank Butler, played by Corbin Williams. Annie joins Buffalo Bill's Wild West Show after beating Frank Butler in a shooting contest. She agrees to be his assistant, having fallen in love with him, even though she is just as good of a shot as he is. Unfortunately, Frank prefers a more feminine woman and leaves the show after Annie shows off her superb marksmanship. Both Annie and Frank are forced to put aside their pride in order to have a happy ending.

The spring play, *Paradise*, by Glynn O'Malley, opened on March 4, 2010. The play tells the story of two girls in the middle of the Israeli-Palestinian conflict and moment that connects them. Sarah, played by Christina Chapman, is a Jewish girl who moves back to Israel with her mother, Shoshana, played by Mary Hampton Elam. Sarah does not comprehend why the conflict is necessary, but begins to understand it once her friend is killed by a car bomb. Still, she works on a photo exhibit, called Paradise, which is what she believes it could be "if there weren't any lines in the sand." Fatima, played by Katie Beach, is a Palestinian girl whose brother is part of an Islamic extremist group. Her cousin Omar, who is played by Corbin Williams, tries to convince her to come to the United States. However, after her brother is killed and her neighbor Isa is murdered, she turns to Bassam, played by Matt Moynihan, who equips her with a suicide bomber's vest. Sarah and Fatima finally meet in the marketplace when Fatima detonates the bomb, killing herself and Sarah.

The Harpeth Hall Choir, Orchestra, and Rock Band performed at the Winter Concert in December and the Spring Concert in April. The Rock Band sang various genres of music including "We are Family" and "Surfin' the USA." The band performed an energetic concert in infront of the school leaving everyone on their feet. The Choir performed in front of the school at a benefit concert, which included an appearance by the Vanderbilt Dodecs. During the Spring Concert the girls sang "We are the World" by Michael Jackson which is about helping others through struggle. This song was sung at a great time because of the devastating flood that occurred in Nashville around this time. The Harpeth Hall Orchestra accompanied the Rock Band by performing "Heartless" by Kayne West. The Middle School Choir put on a lively performance every time they were on stage. They showed their versatility by singing sweet melodies, and also singing energetic songs wearing cool shades and backwards hats. Each of these concerts show how much talent this school really has.

This year's spring dance concert included a variation of dance pieces including modern, tap, ballet and hip-hop. The theme was "Women in Motion." All songs in the concert were composed by female artists and, of course, were choreographed and performed by Harpeth Hall girls and faculty, causing it to be an empowering experience. Dancers grades 5 through 12, plus the choreographers, worked extremely hard to make this happen. A couple of favorites from the audience were the hip-hop numbers and "Hometown Glory", which was choreographed by the dancers.. The seniors had a couple of shining moments to celebrate the last year of their long dancing careers. The show drew in family and friends from all over Nashville.

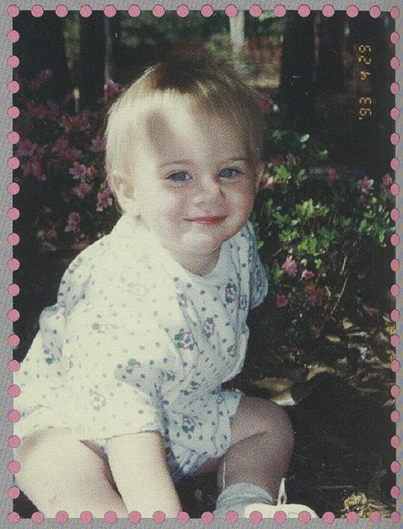
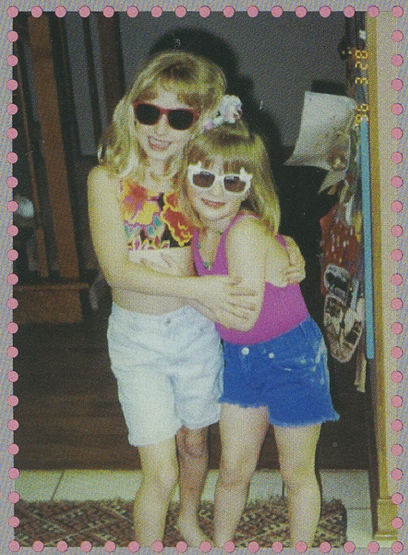
Stephanie, (Steph, Stephie, Stephie-Boo-Boo, Tep, Bef, Boo, Beffie, My Steph, Stephanator, Flavia,)
When you were in 4th grade, your teacher, Mrs. Jeray, wrote a glowing recommendation to Harpeth Hall. One of her comments was "Stephanie is a leader with a heart of gold!" And that is still truly the essence of who you are. We are so proud of you and we always have been. Your intelligence, compassion, empathy, determination, intuitiveness and integrity will carry you to whatever dream you have for yourself. We have absolutely no doubt that you will find what you are passionate about and pursue it with enthusiasm! Remember we are always here for you.
We love you so much,
Mom, Dad, Alyssa, Pappy, Grandma, Grandpa





Tep - My baby sister, graduating high school; I cant believe it. I am extremely proud of you. I know you are going to be incredibly successful and I can't wait to watch you thrive. I am looking forward to hearing where you will be going to college and I am especially excited to come visit you! College flies by, so take advantage of every second. I love you so much Steph! Congratulations High School Grad!! (tant-tant)
Love you always

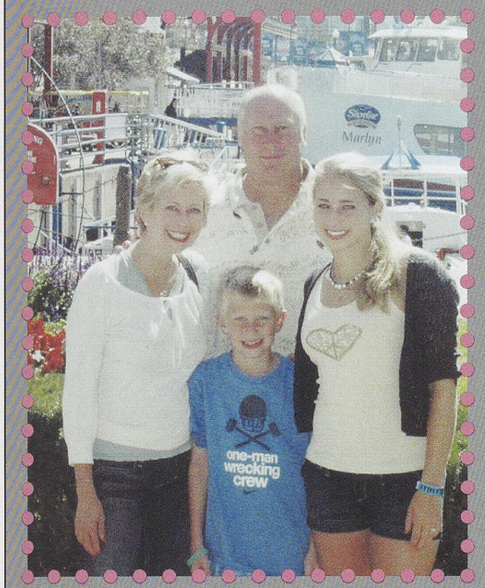
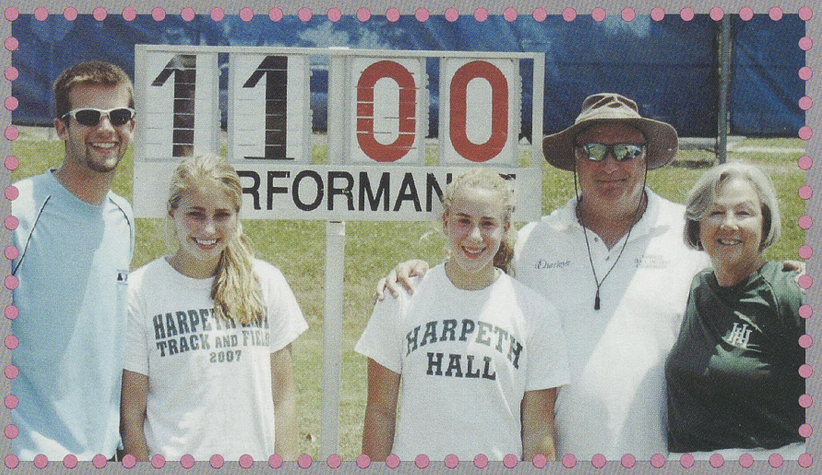
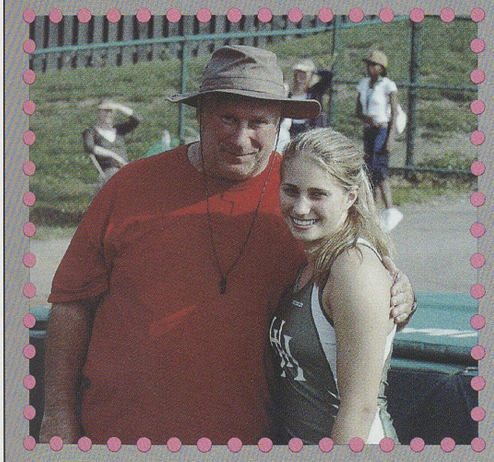
IN MEMORY OF COACH BILL

1958-2008







Bill Etheridge taught many Harpeth Hall girls to pole-vault over the years. Beloved by all, he was kind, charismatic, and desired to help everyone succeed. It was through Coach Bill that I not only received the best advice, but also realized the best advice that I could ever give. I always remember Bill with a huge smile on his face and twinkling eyes asking any chance he could get, "What's the first rule of pole-vaulting?" "Boys have cooties," was the expected response. Bill had coached enough girls over the years to know too many a heartache and heartbreak are experienced at the hands of a teenage boy. In order to be a good pole vaulter, avoid boys, thus avoiding all future distractions. I gradually began to apply his advice and take it one step further, searching for the deeper meaning. Bill's seemingly joking admonition helped me to learn value myself, set high expectations, and focus on what is important in life. I owe much to him for catalyzing my love for pole-vaulting and helping me to progress towards my goals. As a result of bill's untimely death about two years ago, I feel the loss of my dear coach and friend every day. He had a heart attack unexpectedly after AAU Nationals, our last meet of the summer, and I never got to thank him for believing in me and showing me how to believe in myself. I wish that I could have had the chance to tell him how much he meant to me. The best advice that I could ever give is to never forget to tell the people you love how much you love them, because you never know if it may be your last chance. So, thank you, Coach Bill, for everything you taught me about pole-vaulting and, more importantly, about life. I am sure that you are still doing what you love, teaching people to pole-vault in Heaven.

With Love,

22 — Signed order to close Guantanamo Bay facility

29 — Signed into law the Lilly Ledbetter Act, which helps guarantee equal pay across gender lines

FEBRUARY

17 — Signed the $787 billion American Recovery and Reinvestment Act into law

27 — Announced that the United States will pull troops out of Iraq completely by 2011

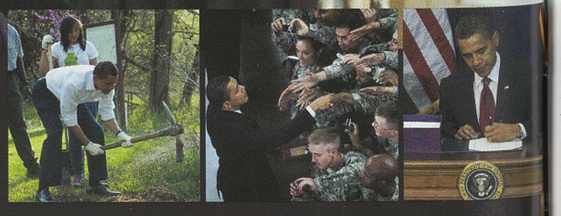
MARCH

4 — Launched the foreclosure prevention program, a $75 billion loan modification and refinancing plan

27 — Announced plan to send more troops to Afghanistan

APRIL

1 — Attended G-20 Summit in London

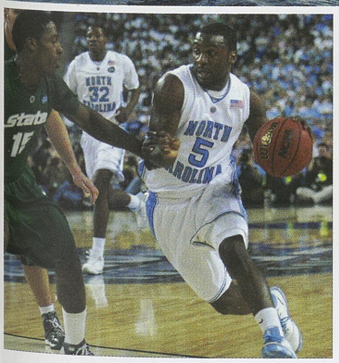


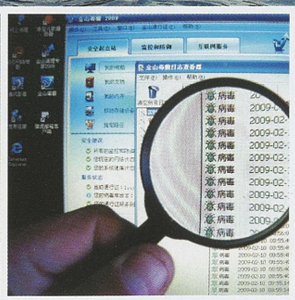
1ST 100 DAYS

ONCE INAUGURATED, President Barack Obama got down to business, signing executive orders banning harsh interrogation techniques of suspected terrorists on his second day in office. The ban was Obama's first step toward closing the prisons at Guantanamo Bay. **ONE WEEK LATER**, the president signed a labor act guaranteeing equal pay for all workers. Regarding the act, Obama explained that he saw the inequality as a family issue, not just a women's issue. **ATTENTION TO THE ECONOMY** brought the $787 billion economic stimulus package in the form of February's American Recovery and Reinvestment Act, controversial legislation which the administration claimed sparked growth as early as the third quarter.

A TOTAL TROOP WITHDRAWAL from Iraq by the end of 2011 was announced on February 27, and just a month later Obama announced a renewed commitment to Afghanistan and plans to send an additional 21,000 new troops there. **LONDON'S G-20 SUMMIT** allowed leaders from nations worldwide, as well as regional groups and international institutions, to strategize ways to revive the global economy and stimulate growth.

SOMALI PIRATES hijacked an American ship in the Indian Ocean off the Horn of Africa and took Captain Richard Phillips hostage in April. The ship, the Maersk Alabama, was carrying food and other aid supplies for the World Food Program. The five-day ordeal ended when U.S. Navy SEAL snipers killed three pirates, freeing Phillips. **BEA ARTHUR**, two-time Emmy award winner, died of cancer at 86. Probably best known for her *Golden Girls* character Dorothy Zbornak, Arthur began her acting career on Broadway, winning a Tony in the original stage production of *Mame*. **A 50 TO 1 LONGSHOT** won the 135th Kentucky Derby. Jockey Calvin Borel and Mine That Bird came from behind on a muddy track to win the race by nearly seven lengths. **VOCALIST SUSAN BOYLE** became an overnight sensation on *Britain's Got Talent*. Her performance quickly became one of the most watched videos on YouTube. Despite a second-place finish in the competition, Boyle's first album, *I Dreamed a Dream*, became the biggest-selling album in the world for 2009 in just six weeks. **NORTH CAROLINA'S TARHEELS** beat Michigan State 89-72 in the men's Final Four, avenging a title game loss to Kansas the previous season. With the help of upperclassmen Tyler Hansbrough, Wayne Ellington, Ty Lawson and Danny Green, all of whom opted to return for another year with coach Roy Williams rather than heading to the NBA, the Tarheels cruised to their fifth national title and their second in five years. A unanimous pre-season No. 1, the team was UNC's first since 1982 to start and finish the year in the nation's top spot. **CONFICKER WORM**, a computer virus that targeted the Microsoft Windows operating system, was estimated to have infected more than 15 million computers. It was believed to be the worst computer virus since the SQL slammer worm in 2003. In February 2009, Microsoft offered a $250,000 reward for help with finding and arresting the people who created the computer worm.

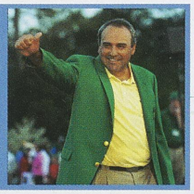




31 Nearly 40 unemployed New Yorkers took part in the Unemployment Olympics, a day of fun and games in Manhattan's East Village planned by a recently laid-off computer software worker.

7 The Connecticut women's basketball team won its sixth national title, defeating Louisville 76-54 in a St. Louis Final Four tagged "March to the Arch."

12 Argentinian golfer Ángel Cabrera won the Masters at 12 under par after a three-way playoff against Americans Chad Campbell and Kenny Perry.



23 Apple's iTunes App Store knew in advance that some lucky buyer would download the company's one billionth app on this date and they offered prizes galore.

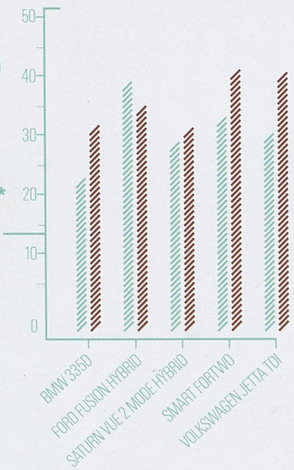
TOP GREEN CARS OF 2009*



*ACCORDING TO *GREEN CAR JOURNAL'S*, "TOP 5 FOR 2009"

BERNIE MADOFF was sentenced to 150 years in prison for the multibillion-dollar Ponzi scheme he perpetrated as a wealth management advisor. He pleaded guilty to 11 felonies, including securities fraud, money laundering, perjury, making false filings with the SEC and theft from an employee benefit plan. In addition to his imprisonment, the former chair of the NASDAQ stock market was ordered to forfeit $170 billion. **U.S. WITHDRAWAL FROM IRAQ** was celebrated as a national holiday when Prime Minister Nouri al-Maliki declared June 30 "National Sovereignty Day." In accordance with agreements with Iraq, American troops completed their withdrawal from Iraqi cities and transferred the responsibility of securing the cities to Iraqi troops. **IRANIAN ELECTION PROTESTS** lasted months and resulted in at least 36 confirmed deaths after it was announced that President Mahmoud Ahmadinejad had won re-election with nearly 63% of the vote. Results were later certified and Ahmadinejad was sworn in for a second term in office on August 5. **SERENA WILLIAMS** beat her sister, Venus, in the final match at Wimbledon to win her third Grand Slam victory of the year. Then the sisters paired to beat Aussies Samanatha Stosur and Rennae Stubbs, winning the doubles title the same day. **HULU**, a free app that allowed viewers to watch television shows on the web, gained traction. Some studies showed as many as 45% of all teens watched "TV" on the internet. **AL FRANKEN**, a former Saturday Night Live comedian and satirist, finally won his seat in the Senate after the Minnesota Supreme Court rejected incumbent Norm Coleman's myriad challenges. The final recount gave Franken the victory by 312 votes. **NBA CHAMPION L.A. LAKERS** won their 15th title on June 14, defeating the Orlando Magic 99-86 to clinch the title in just five games. Lakers star Kobe Bryant was named M.V.P. after scoring 30 points in the final game and 162 in the series.

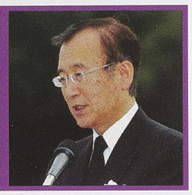
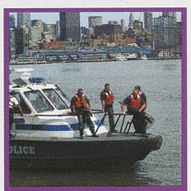
1958–2009

THE BREAKING NEWS of Michael Jackson's cardiac arrest and sudden death on June 25 dominated the internet causing unprecedented spikes in traffic and overwhelming social networks such as Facebook and Twitter. **TOPPING THE CHARTS** with 17 No. 1 hits (including four as a member of the Jackson 5), Jackson's 1982 *Thriller* remained the best-selling album ever. In the two weeks following his death, buyers snapped up another 2.3 million Jackson albums. In all, his world sales of more than 750 million records made him one of the best-selling recording artists ever.

JACKSON IS CREDITED with elevating the music video into an art form. His videos for "Billie Jean," "Beat It" and "Thriller" brought a strong crossover following to MTV. He popularized the moonwalk and the robot and influenced generations of dancers. **KNOWN AS THE KING OF POP**, Jackson was inducted into the Rock and Roll Hall of Fame both as a Jackson and as a solo artist. **FINAL GOODBYES** were televised from L.A.'s Staples Center where Stevie Wonder, Lionel Richie, Mariah Carey, John Mayer, Jennifer Hudson and Usher performed at his memorial service as millions worldwide watched.

6 At a ceremony marking the 64th anniversary of the Hiroshima and Nagasaki atomic bombings, Mayor of Hiroshima Tadatoshi Akiba supported U.S. President Barack Obama's call for the abolition of nuclear weapons.





2 Two newly discovered works by Mozart – a prelude and a concerto movement – were performed in Salzburg, Austria, Mozart's birthplace.

8 Crews recovered all nine bodies after a small plane and a tour helicopter collided over the Hudson River in New York, sending both crafts spiraling from the clear, blue sky.

11 Thousands of people worshipped a baby born with four arms and four legs in Nepal, revering him as the reincarnation of Ganesh.

24 The district court in Stockholm ordered BitTorrent tracker *The Pirate Bay*'s largest ISP, Black Internet, to stop serving the web site in its continued effort to shut down the number one BitTorrent tracker.

25 The Congressional Budget Office predicted the United States budget deficit for 2009 will reach $1.6 trillion, the highest ever recorded.

31 Jason Mraz's "I'm Yours" became the longest-running single in the Billboard Hot 100's history at 71 weeks, and tallied another five weeks.

28 *Reading Rainbow*, the third longest-running children's show on United States public-service television network PBS, ended its 26-year run.

U.S. JOURNALISTS FREED following nearly five months of detainment in North Korea were escorted home by former president Bill Clinton after he met with North Korean Dictator Kim Jong Il. Laura Ling and Euna Lee, reporters for Current TV, a media venture owned by Al Gore, had been charged with entering the country illegally to conduct a smear campaign. **KILLER WHALE RESEARCH** identified new behavior in large groups of orcas. A Journal of Ethology report cited groups of whales gathering in British Columbia, Alaska, Iceland and Antarctica to form "clubs." While whales often live in pods of 10-20, scientists say the newly observed clubs of as many as 100 seem to allow the whales to form and maintain social ties. **SENATOR TED KENNEDY** of Massachusetts, the last surviving Kennedy brother, died at age 77 after battling brain cancer. In his 46 years as a senator, Kennedy championed labor, health care, civil rights, education and voting rights. President Barack Obama delivered the eulogy at Kennedy's August 29 funeral in Boston. In addition to the family, Vice President Joe Biden, Secretary of State Hillary Clinton, former Presidents Bill Clinton, George W. Bush and Jimmy Carter, and First Lady Michelle Obama also attended. Kennedy was buried at Arlington National Cemetery next to his brothers, President John F. Kennedy and Senator Robert F. Kennedy. **A WEB ATTACK** targeted at a specific pro-Georgian blogger incapacitated Twitter for two hours on August 6. Twitter and other social networks like Facebook and LiveJournal were overwhelmed by denial-of-service attacks disrupting access to more than 300 million users. Botnets – thousands of infected home and workplace PCs – flooded the web with nuisance requests, cutting off access to anyone else. Twitter, the micro-blogging site where users post 140-character messages to their followers – soared in popularity in 2009. According to comScore, a Web tracking firm, the site had 44 million unique visitors in the month of June. **SUPREME COURT JUSTICE** Sonia Sotomayor was confirmed by the Senate as Associate Justice of the U.S. Supreme Court, replacing David Souter who retired in June. Sotomayor, who rose from the housing projects of the Bronx to the top of the legal profession by way of Princeton and Yale Law, made history as the nation's third female and first Hispanic Supreme Court justice.

FLU SHOTS

FLU SHOT CLINICS were set up in workplaces and schools from coast to coast as the government and the CDC suggested that as many people as possible be vaccinated against the H1N1 virus that led to hundreds of school closings in the spring of 2009. **AN EARLY START** to the flu season meant victims were affected in higher numbers and more extremely than usual, and that the flu's peak activity came in late October and early November rather than March. Until the vaccine arrived, anyone with H1N1's potential respiratory symptoms was encouraged to stay home rather than infecting classmates or co-workers. **IN OCTOBER**, the vaccine began arriving in both injected and nasal spray forms. Within four months, 97 million H1N1 vaccine doses had been given to 86 million people in the United States. **TRULY PANDEMIC**, the H1N1 influenza infected approximately 57 million Americans or slightly more than 18 percent of the population between April 2009 and February 2010. About 11,690 people died and nearly 260,000 were hospitalized from the viral infection, which was also known as swine flu. **THE THREAT** of an additional outbreak loomed as the annual flu season waned.

ECONOMIC WOES

JOB MARKET DETERIORATION continued, despite some tentative indications that the economy was improving. The federal unemployment rate peaked at 10.1% in October, but the economy continued to shed jobs at the rate of more than 263,000 a month. Data showed a loss of 8.4 million jobs since the recession's start in December 2007. **THE UNDER-EMPLOYMENT RATE** of workers whose hours had been cut or who were working part-time for lack of full-time positions hit 17% – the highest since they began tracking the category in 1994. **FORECLOSURE FILINGS** in the third quarter hit a record high. Despite government-led and lender-supported relief efforts, nearly a million U.S. homes – 1 in every 136 nationwide – were in foreclosure by October.

FEDERAL RESERVE CHAIRMAN Ben Bernanke announced September 15 that the recession had "very likely ended" while warning that it may not quickly affect the unemployment rate.

MTV'S 2009 VIDEO MUSIC AWARDS were going to be different from the start. In addition to recognizing current work, anticipation of a Michael Jackson tribute ran high. Instead, Kanye West literally stole the show, grabbing the mic during 20-year-old country/pop star Taylor Swift's Best Female Video acceptance speech for a quick rant about Beyonce Knowles being more deserving. Swift went on to win the Grammy for Album of the Year for her second album, *Fearless*. **ACTOR PATRICK SWAYZE** died at age 57, after suffering from pancreatic cancer for nearly two years. Of his more than 30 movies, he was best-known for his roles as romantic leading men in the films *Dirty Dancing* and *Ghost*. **A GIANT MYLAR BALLOON** took off from a family's yard in northern Colorado, and nationwide panic erupted when it was reported that the six-year-old son might be aboard the 20-foot-long, saucer-shaped helium flyer. A runway at the Denver airport was shut down and search and rescue crews scoured the area below the craft's 50-mile flight path for the child, who was later found hiding in the garage. Subsequent interviews revealed that the event had been planned. The couple was billed for search services and both parents were sentenced to jail time. **THE WORLD'S TALLEST BUILDING**, the Burj Khalifa in Dubai, U.A.E. was completed on October 1 and opened on January 5, 2010. Named after the leader of neighboring oil-rich Abu Dhabi, which contributed billions of dollars to keep Dubai afloat, the building housed a hotel, offices and luxury apartments. At 2,717 feet, the tower with a public observation deck on the 124th floor was the tallest man-made structure ever built. **"BEATLES DAY"** was celebrated worldwide on 09/09/09 when re-mastered versions of The Beatles' albums were released, on the same day the video game The Beatles: Rock Band was released. In the major music markets of North America, Japan and the UK, consumers purchased more than 2.25 million copies of re-mastered albums in the first five days of release. In addition, more than half a million Rock Band units sold during the game's first month of release. Incorporating many of the gameplay features of the Rock Band series, the game included 45 songs by the popular British rock group.

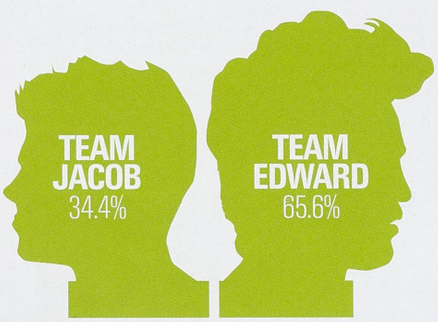
TWILIGHT: NEW MOON

PREMIERED IN THEATERS NOVEMBER 20

The second edition in the *Twilight* series had fans crazy for vampires. The film was the fourth highest grossing in the U.S. for 2009, bringing in $296 million and causing debate among supporters of team Jacob versus team Edward.



20 Royal Caribbean cruise ship MS Oasis of the Seas was officially unveiled at Fort Lauderdale, Florida. At 225,282 gross tons, it was the world's largest passenger vessel.

30 Europe's Large Hadron Collider, which restarted November 20 after a 14-month repair, set a new world record for particle accelerations.

26 Ceremonies in India marked the first anniversary of a series of attacks in Mumbai by Pakistani militants which killed 174 people.

A YANKEES WORLD SERIES WIN gave the team its 27th championship with a 7-3 victory over the Phillies in Game 6. Hideki Matsui, the first Japanese-born player to be named a Series M.V.P., led the Yankees' offense with six runs batted in off a homer, a single and a double. The last Yankees' title was in 2000. **THE FIRST STATE DINNER** hosted by President and Mrs. Obama toasted a growing U.S. friendship with India with an evening of regal pageantry on the White House South Lawn on November 24. Visiting Indian Prime Minister Manmohan Singh and his wife Gursharan Kaur were honored guests alongside 300 others. A tradition dating back to 1874, state dinners were the most treasured and formal honor a U.S. president could offer a foreign dignitary, and the most coveted invitation in Washington. Unbeknownst to the Obamas and to the Secret Service, a Virginia couple, Tareq and Michaele Salahi, entered the dinner without an invitation, bypassing all security checkpoints. **SHOOTINGS AT FORT HOOD** killed 13 and injured 30 on November 5. Major Nidal Malik Hasan opened fire on fellow soldiers at the Fort Hood U.S. Army base in Texas; some reports suggested he was unhappy about an upcoming deployment. **NASCAR'S LONGEST STREAK** of consecutive series championships belonged to Jimmie Johnson, who surpassed Cale Yarbrough when he clinched his fourth title in a row, winning seven races in back-to-back seasons. **OPRAH'S PLANS** to retire when her current contract expires were announced nearly two years in advance of her final show. Media mogul/talk show host/philanthropist Oprah Winfrey said she will end her daily talk show in 2011. The show, which attracted more than seven million viewers a day, had been on the air since 1984. **SIGNS OF WATER ON THE MOON** were confirmed without question in November when a satellite intentionally crashed into a crater near the moon's South Pole. Using a two-part satellite, scientists said they created a collision, then measured the debris it created. The discovery was good news for explorers who wanted to set up labs on the lunar surface and to the scientists who hoped that the water, in the form of ancient ice, would reveal information about the history of the solar system.

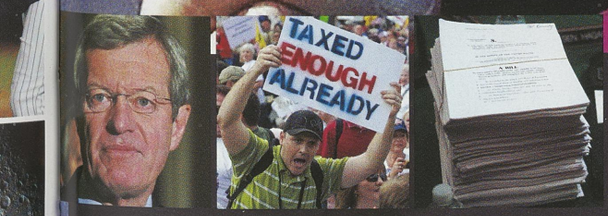
WITHOUT CHANGES IN FEDERAL POLICY, THE NUMBER OF AMERICANS WITHOUT HEALTH INSURANCE WILL GROW FROM ABOUT 45 MILLION THIS YEAR TO ABOUT **54** MILLION IN 2019



HEALTHCARE

HEALTH CARE REFORM was a priority for President Obama and the Democratic leaders of Congress. In November, they came close to creating a comprehensive system of national health insurance when the House approved an overhaul of the system, 220 votes to 215. **MAX BAUCUS**, Senate Finance Committee chairman, had presented a plan that included many new insurance industry regulations but no government-run health care. The Democrat from Montana believed his bill could bring together Republicans and Democrats for an ambitious overhaul of health care. **TEA PARTY PROTESTS** sprung up from coast to coast, providing a platform for citizens wishing to speak their discontent. While groups of those who felt they could no longer sit still and quietly observe governmental changes that made them uncomfortable took on many traits, the newly empowered activists worked to be visible in many parts of the country. **SENATE VOTES** in November were followed by the Senate's approval of an $871 billion bill in December. While the two Congressional branches worked to reconcile their bills, it became apparent agreement was not imminent; the debate would continue for months.

HAITIAN EARTHQUAKE

DEATH AND DESTRUCTION were apparent immediately following the temblor which struck near Port-au-Prince, the capital city of Haiti. While fatality estimates topped 200,000, officials conceded that the burial of uncounted corpses would prohibit an exact tally. The quake, which was "felt strongly" in Cuba more than 200 miles away, damaged thousands of homes, including the president's residence. **BUSH/CLINTON HAITI RELIEF FUND,** designed to demonstrate American unity, raised more than $17 million in under two weeks. In the month following the quake, American charities sent more than $790 million in charitable aid. **WYCLEF JEAN, GEORGE CLOONEY & FRIENDS** hosted concerts in New York, Los Angeles and London to raise funds for earthquake victims. Called "Hope for Haiti Now: A Global Benefit for Earthquake Relief," the January 22 concerts included performances by Bruce Springsteen, Madonna, Mary J. Blige, Taylor Swift, Justin Timberlake, Coldplay and Bono. In addition, a remake of the 25-year-old anthem "We Are the World," featuring more than 70 big names representing all genres of music, was recorded to benefit Haitian aid groups.

JAMES CAMERON'S *AVATAR* broke all kinds of records en route to becoming the highest grossing film of all time. Development of the science fiction epic spanned 15 years, partially because Cameron had previously determined that the necessary technology was not yet available to portray his visions for the film. Released for both traditional two-dimension projection and 3-D, *Avatar* was also the first film ever to gross $2 billion, and it was nominated for nine Academy Awards, including Best Picture and Best Director. **TIGER WOODS** was named the Associated Press Athlete of the Decade in December. Despite a personal scandal that led to an indefinite break from professional golf, he collected nearly as many votes as runners-up Lance Armstrong and Roger Federer combined. Woods won 64 tournaments including 12 majors and earned more than $81 million during the decade. **A TERRORIST ATTACK** on a December 25 Northwest Airlines flight from Amsterdam to Detroit was thwarted after a student with suspected al-Qaida ties attempted to ignite explosives in flight. **FIFA WORLD CUP SOCCER** tickets went on sale globally, adding more than 1 million new seats to those nearly 700,000 tickets already sold for the June/July soccer matches in South Africa. **CONAN O'BRIEN** left NBC and *The Tonight Show* on January 22, just eight months after he took the reins from Jay Leno. Despite ongoing unsuccessful negotiations with the network, O'Brien planned a busy last week hosting Robin Williams, Barry Manilow, Tom Hanks and Will Ferrell, and he took to the stage playing 70s rock anthem "Free Bird" with the band during the closing credits of his final show. **THE U.S. HEALTH CARE REFORM BILL** passed by the Senate on December 24 was expected to extend insurance coverage to 30 million additional Americans. Following the January 27 State of the Union Address where Obama vowed not to "walk away from" his drive for health insurance reform, additional modifications were made to the White House's proposed health care plan in preparation for a February 25 televised bipartisan health care summit. The six-hour summit was covered on C-SPAN and was the day's news focus.

19 Adobe Photoshop, software that redefined creativity in the digital world, celebrated 20 years of success.

SNOW BLANKETED THE NATION, encompassing all 50 states on February 13 after a dusting on the Florida panhandle. Hawaii did not receive new snow, but had a base at the peaks of the state's highest volcanoes. Record snowfall affected many parts of the country this winter, from the Midwest where 50-year-old records for most days with 4" or more of snow cover were smashed by more than five weeks, to the mid-Atlantic states where record snowfalls from December to February broke 100-year-old seasonal snowfall records the first week in February. **BEYONCÉ WON SIX GRAMMYS**, including Song of the Year for "Single Ladies (Put a Ring on It)," and became the first woman to win six awards in the same night. Only Michael Jackson (1984) and Carlos Santana (2000) had won more awards in a single year. **APPLE'S iPAD RELEASED** on January 27 to mixed reviews. The new "digital tablet" brings Apple's sleek design and functionality to the masses for an affordable price. Weighing just 1.5 pounds, the iPad is lighter than a laptop, but users will be able to browse the web, access email, watch movies, read books and more. In addition, Apple created 12 innovative new apps for the iPad, which will also run almost all of the more than 140,000 apps available in the App Store. **BRITAIN'S UFO FILES**, made public to civilians in January, totalled more than 6,000 pages detailing sightings from 1994 - 2000. The fifth (and largest) release ever was intended to make access available to a wider audience. **MOBILE CARRIERS JOIN FORCES** to rival Apple's App Store. AT&T, China Mobile, China Unicom, Sprint and Verizon were among the first companies to unite, creating a centralized location for apps for a variety of mobile devices possible because of cross-platform development. The Wholesale Applications Community will represent more than three billion customers worldwide. **OLYMPIC SKIER BODE MILLER** won three more medals at the 2010 Winter Olympics (super combined gold, Super G silver and downhill bronze) bringing the four-time World Champion's record Olympic tally to five. **SUPER BOWL XLIV**, the most-watched Super Bowl and the most-viewed program in television history, saw the New Orleans Saints defeat Peyton Manning and the Indianapolis Colts, 31-17. The Saints, who became just the fourth team ever to win in their first Super Bowl appearance, won with a key defensive play on an interception by defensive back Tracy Porter, and a nearly perfect offensive game by QB Drew Brees.

PRE-OPENING TRAGEDY struck the games during a practice session on February 12 when 21-year-old Nodar Kumaritashvili, representing the Republic of Georgia in the luge, lost control of his sled and died. **VANCOUVER, BRITISH COLUMBIA** hosted the 2010 Winter Games, bringing the competition to Canada for just the second time since its inception in 1924. Nearly 2,650 athletes from 82 nations competed in 15 sports and 89 separate medal events. **SPEEDSKATER APOLO ANTON OHNO** added three new medals to his previous five Olympic medals from Salt Lake City and Turin. Ohno broke Bonnie Blair's record, becoming the most decorated American Winter Olympian ever. **TWO-TIME WORLD CUP CHAMPION LINDSEY VONN** became the first American female to win Olympic downhill gold. Vonn skied all five of her scheduled events with a bruised shin, medaling in two. **SNOWBOARDER SHAUN WHITE** defended his Olympic gold in the halfpipe with a first run so strong he secured his victory. In a celebratory second run, he debuted a Double McTwist 1260 (which he named The Tomahawk). The new trick contributed to a record score of 48.4, increasing his margin of victory by 1.6 points.

TILIKUM THE ORCA was not in the pool when SeaWorld Orlando's show, *Believe: The Sensational Shamu Show*, reopened just three days after the six-ton orca attacked and drowned veteran trainer Dawn Brancheau on February 24. The show featured trainers using hand signals to instruct the whales to leap, twirl and wave to or splash the audience. **AN OVERTIME VICTORY** in hockey gave Canada the Olympic gold the host nation craved on the last day of Winter Games. The 3-2 win over Team U.S.A. came 7:40 into the extra period when 22-year-old Sidney Crosby sent goalie Ryan Miller a surprise wrist shot. Miller was the series M.V.P. and Crosby, a native of Nova Scotia, became the youngest ever captain of a Stanley Cup-winning team in 2009, when his Pittsburgh Penguins beat the Detroit Red Wings four games to three. **CANADA'S JOANNIE ROCHETTE** captured viewers' hearts, competing in women's figure skating after her mother succumbed to a heart attack in Vancouver just days before. The 24-year-old from Quebec took bronze and became one of the most personal stories of the Vancouver Games. Korea's Yu-Na Kim became her country's first-ever Olympic figure skating medalist when she broke the 200-point mark and captured the gold medal. **AN ICEBERG COLLISION WITH ANTARCTICA** dislodged another massive block of ice from the continent in February. The original iceberg, known as B9B, measured 60 miles in length and had broken free from Antarctica more than 20 years ago. The new iceberg weighed in at roughly 700 billion tons and, at 48 x 24 miles, contained the equivalent of one fifth of the world's annual total water usage. The two icebergs drifted together off the east coast of Antarctica. **U.S. BOBSLED GOLD** ended a 62-year Olympic drought for America when two-time World Champion Night Train pilot Steve Holcomb with crew Justin Olsen and Steve Mesler and brakeman Curtis Tomasevicz dominated action in Whistler. The win meant Germany's Andre Lange, who took gold in the two-man race, failed in his attempt to capture five Olympic golds in as many attempts. **AN 8.8 EARTHQUAKE IN CHILE** on February 27 toppled buildings, left more than 300 dead and caused tsunami evacuations as far away as Hawaii and Japan. While the quake was significantly more powerful than the Haitian temblor that caused massive devastation in January, the damage was minimized by its relatively deep epicenter and strict Chilean building codes that followed massive damage caused by a huge quake in 1960.
